Subject: Re: Fw: COE question on Moorings data input to Query manager

Date: 09/08/2008 02:20 PM

```
Mark,
here are the templates. please let me know if you have any questions.
Jay

****************** ATTACHMENT NOT DELIVERED **************

This Email message contained an attachment named NOAA Templates.20060801.zip which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
